Recent projects

Assess

Risk & framework assessments in 30+ companies in 20+ countries, typically saving 30%-40% of projected costs.

Respond

Responded to and resolved 50+ potential sustainability and integrity issues or incidents in the past 3 years.

Train

7,000+ people in areas including investigations, sustainability, ethics, and crisis response.

Implement

In the past 5 years I have typically fielded 5 sustainability and risk program implementation questions weekly.

Client experience

ethicsinsight

What they say:

"I have worked with Rupert to conduct assessments and advise on integrity issues with our investment portfolio companies. He is particularly skilled at sensitively engaging with firm leadership on very tricky topics.

Rupert facilitates our work and provide solid tools to help our investments become better businesses. My team now has effective processes and a toolbox to drive progressive expectations appropriate to a company's stage of growth."

Rita Roca, Business Integrity Leader, IFU

"Ethics Insight provides a toolkit to operationalise an organisation's ethics, risks and sustainability. They help build a culture where doing the right thing is the norm."

Kevin Withane, Founder of Diversity X, and UKBAA Angel Investment Award Winner 2023

"I wanted to align strategy and sustainability. I needed to see the world through a different lens. Rupert showed me that there are many ways to make sustainability strategic.

Rupert has helped me become a better problem solver, strategic business person and clear communicator."

Danielle Crawford, Senior Advisor, Corporate Sustainability Performance, Rio Tinto
